

WHAT A WONDERFUL TIME THIS IS

The Church has called us all to serve and we hasten to give our best

All ye Lay women and men, Priest, Religious and all the rest.

The joy of love we are about to give, our hearts are filled with hope.

As we bring this hope to our diocese, We call upon Your blessings to bestow.

What a wonderful time this is: a powerful time...The celebration of our Synod.

What a wonderful time to sow: a wonderful time to grow. The work of our Synod.

Hearts aflame with purpose and duty. Awed by God's work to be done.

Synodal Members, shall we make the difference? As we work together as one.

And then He whispers - You are not alone, for you know that I am One with you.

Guide us dear Lord; we need Your grace, and send us Your Spirit to renew.

CHORUS : What a wonderful time this is: a powerful time.....

BRIDGE

Surely, it's Heavens' gift - Our Church for Kingdom come

We are called anew to build it up for everyone

Because we've entrusted it all to You...You know precious Jesus, what You have to do

Establish here, in our Diocese, Your Glorious Kingdom come!

CHORUS : What a wonderful time this is: a powerful time.....

Because we've entrusted it all to You...You know precious Jesus, what You have to do

Establish here, in our Diocese, Your Glorious Kingdom come!

Your Glorious Kingdom come!
